## CALGARY DUPLICATE BRIDGE ASSOCIATION

### NOTES FROM THE UNIT BOARD

By Greg Bedard

Season's Greetings and Happy New Year from the Calgary Duplicate Bridge Association Board. We have had a great start to our year with two strong Sectional turnouts. September's table count was 329.5 while Banff's attendance was 218 tables. We are well on our way to breaking the 1000 table mark again this year. Thanks for all the support! The CDBA Board extends its congratulations to Judy Gartaganis for winning the Alberta Sectionals Masterpoint Race for 2001.

It is important to remember that we have changed sites for our Sectionals starting in January. We will be located at the Marlborough Park Community Center, 6021 Madigan Drive NE.

Directions are easy:

- **From the North**, take Deerfoot Trail to 16<sup>th</sup> Ave, head east on 16<sup>th</sup> Ave to 52nd street, south on 52nd street to Madigan drive. (Madigan drive is a left turn off of 52<sup>nd</sup> street)
- **From the South**, take Deerfoot Trail to Memorial Drive, Head east on Memorial drive to Madigan drive. (Madigan drive is a left turn off of Memorial drive)

I am pleased to announce that three of our members have been asked to represent Canada at the IOC Grand Prix event, February 2<sup>nd</sup> to 6<sup>th</sup> in Salt Lake City, just prior to the Winter Olympics. Judy Gartaganis will be playing on the Women's team while Nick Gartaganis and Gordon Campbell will be playing on the Men's team. For more information check out this website:

[http://www.ecatsbridge.com/BiB/b9/wbf\\_events/saltlakecity/default.asp](http://www.ecatsbridge.com/BiB/b9/wbf_events/saltlakecity/default.asp). Good luck to all three!

Looking ahead to the March Sectional, the Board will unveil a new trophy. The Directors' Trophy will commemorate the life and service of past Directors to our Association, and will be awarded to the winning Swiss team on Sunday. Thanks to Ben Chee for the suggestion. The Board has also decided to impliment Victory Point scoring for Sunday Swiss, instead of the current win/loss, for the March Sectional only.

Its time to start thinking about the CDBA Board elections. The Board is comprised of 8 members who serve in staggered terms of 2 years (four positions come up for election every year). If you have someone you would like to nominate, contact one of the current board members or send the unit an e-mail to [acblunit390@shaw.ca](mailto:acblunit390@shaw.ca). Include the person's name and reason you feel this person would be an asset to the board. Please remember that a rominee must be a member in good standing of the ACBL and accept the nomination to be put on the ballot. A list of nominees and a ballot will accompany the March Kibitzer.

Thanks for making our Association one of the best in the ACBL. Remember to support your Clubs and the CDBA. Come out, play bridge and have fun!

## SWISS TEAM SCORING – March Sectional

By Janet Dunbar

The Calgary Sectional in March will use a 20 **Victory Point** scoring system for the Swiss Teams on Sunday. This is a trial event, and the Unit membership will be given the opportunity to vote on future use of the system at the Annual General Meeting later in the spring.

For those of you unfamiliar with the system, hopefully this will help prepare you:

District 18 currently uses the Win-Loss system at most tournaments. Those of you who have travelled to tournaments outside our area, or have attended Nationals, are aware of the other system, called Victory Point scoring, which allow matches to be won on a sliding scale, depending on the margin of victory.

If you look at the back of a convention card, you will see areas marked “ 20-PT VP SCALE” and “30-PT VP SCALE”. Each has columns marked with ranges of IMPS (International Match Points) and VPs (Victory Points).

This allows you to convert your margin of victory into another number, which is used to keep running total throughout the event, resulting in a final score after all matches.

If, for example, you lose a match 23 – 14: (A difference of 9 points)

Winning Team:                      Losing team:

Win/Loss:	WIN	LOSS
20 Pt scale:	14	6

If you lose another match by 4 points, you will score 8 of a possible 20 points, for a total of 14 (8 + 6) of a possible 40 points (2 matches x 20 points each). In Win/Loss, you would just have 2 losses.

### **Advantages:**

1. You receive credit for losing a close match, instead of just getting a LOSS.
2. You are never out of a match.  
If you give up 1100 on the first board, it is hard to come back in a W/L system. With a victory point system, you may still lose the match, but you will have a chance to get something out of it. This means that every board is important, and you should never give up, no matter what disaster befalls you.
3. Your team is never eliminated before it gets going.  
Do you have teammates who are asleep for the first two matches on a Sunday morning? Currently, if your team loses two matches early in the day, you have very little chance of doing well, and the team can end up coasting through the day knowing it cannot win. Not much fun.  
However, with the VP scoring, losing two matches is not the end of the game. You can still triumph if you can win some matches in decisive fashion. Winning matches by 11 or more will give you 75% + of the available VPs, and can rocket you up the leader board if you put some of those wins together.
4. More definitive matchups.  
When teams are matched up according to points, there is an easy hierarchy to follow. With teams having equal numbers of Wins and Losses, it is a more random matching.
5. Fewer ties at the end of the event  
How many of us have ended up with 5.25 wins, and been tied 5<sup>th</sup> – 8<sup>th</sup> in the standings? With a point system, these ties are virtually eliminated, and definitive placings can be achieved.

One disadvantage to the system is random shuffling. If you are playing a match with a lot of strange boards, resulting in some big swing results, you could win or lose a match by a lot. Meanwhile, at another table, where your nemesis at the top of the leader board is playing, the boards have been shuffled differently, and everything is a nice easy part score, resulting in a close match. The result here is that they lose by 3, and you get annihilated, scoring 0 of 20. NOW you are wishing for a Win/Loss system!

Note: Since the scoring is so important, please be sure to take extra care when scoring your match, and to record an exact number on the ticket (no “3+” allowed!)

For those of you who have never played Victory Point scoring, the Unit Board would like you to keep an open mind and try it out. Feel free to give lots of feedback to anyone wearing a nametag and voice your opinion at the AGM. One trial may not be enough for everyone, so any thoughts on that are also appreciated.

Good luck everyone!

## **GRAND NATIONAL TEAMS**

It is time to qualify for the Grand National Teams (GNT). There are five flights based on your masterpoint holding on September 1 2001. There is the Open Flight that is opened to all. The next flight is Flight A where all members must be below 5000 points; then Flight B where all must be below 2000 points; then Flight C where all

members must be non-lifemasters and below 500 points. There is also the sub-master flight where all members must be below 100 points. The sub-master flight terminates at the District level in Great Falls (No National Final); all other flights have a chance to play in the National Final in Washington D.C. in July 2002.

Get a team together and go to the Martinique Bridge Club to qualify. You have three chances to qualify: Friday at 7:30 on January 25, February 8 and, February 22. Once a team is qualified, the next step is the District Final in Great Falls on May 17-19. (Note: some flights might have a Unit Final in Calgary before the District Final but this is unlikely).

The District will give the four winners of the top flights a subsidy if they decide to go on to the National Final. If a winning team decides not to go, the second place team can go and get the subsidy. If you have any question, please contact the Martinique at 243-4353 or Janet Dunbar at 245-8270.

## **NEWS FROM THE CLUBS**

The annual Christmas party was held on November 29 at the Varsity Community Centre. It was sold out and a most enjoyable evening was had by all in attendance.

We will be marking the second anniversary of the club's new location, in the Varsity Community Centre, this January. We welcome all ladies to join us. If you need a partner call Esther at 239-6044 or Eileen at 249-0387.

The **Helen Shields Rookie-Master** game is Thursday, April 25<sup>th</sup>, at 7:30 p.m. Last fall the Martinique had 28 tables for the Rookie-Master game, the largest turn out in the country! If you have less than 20 master points and would like to play please call Mickey at 685-1201 or the club at 243-4353. We will be pleased to find you a partner.

The Martinique has a new web address. It is <http://www.martiniquebridgeclub.com/>
